

ISO/IEC 27035 Information Security Incident Management Foundation (PECB Certified) - Including Exam

Duration: 2 Days **Course Code: ISO27035F** **Delivery Method: Company Event**

Overview:

ISO/IEC 27035 Foundation training enables you to learn the basic elements to implement an Incident Management Plan and manage Information Security Incidents. During this training course, you will be able to understand Information Security Incident Management processes. After completing this course, you can sit for the exam and apply for the "PECB Certificate Holder in ISO/IEC 27035 Foundation" certificate. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, and management approach.

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.

Target Audience:

- Individuals interested in Information Security Incident Management process approaches
- Individuals seeking to gain knowledge about the main principles and concepts of Information Security Incident Management
- Individuals interested to pursue a career in Information Security Incident Management

Objectives:

- Understand the basic concepts of Information Security Incident Management
- Understand the process approaches used to effectively manage Information Security Incidents
- Acknowledge the correlation between ISO/IEC 27035 and other standards and regulatory frameworks

Prerequisites:

- Basic knowledge on Security Incident Management is preferred.

Testing and Certification

The exam fully meets the requirements of the PECB Examination and Certificate Programme. It covers the following competency domains:

- **Domain 1:** Fundamental principles and concepts of Information Security Incident Management
 - **Domain 2:** Information Security Incident Management
- After successfully completing the exam, you can apply for the credential shown on the table below.
