Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.

Target Audience:

This course is aimed at:

- Individuals continuing their journey in service management
- Strategy professionals
- Product professionals
- Service professionals

Objectives:

- **After you complete this course you will be able to:**
- Enable the design, delivery, and continual improvement of meaningful digital experiences by embedding experience thinking into products and services.
- Connect decision-making to real-world outcomes, improving returns, sharpening positioning, and strengthening executive alignment.
- Improve time to market by reducing rework and improving the relevance, usability, and satisfaction of what is delivered.
- Build trust by treating experience as an integral part of the service, making digital technology more human and reducing the frequency of issues.

Prerequisites:

- ITIL® 4 Foundation examination
- ITIL® (Version 5) Foundation examination
- ITIL5F - ITIL® (Version 5) Foundation - Including Exam
- ITIL5F-2 - ITIL® (Version 5) Foundation (2 days) - Including Exam

Testing and Certification

- ITIL® (Version 5) Experience
The exam is 90 minutes long, 40 multiple choice questions.
- Exam vouchers are provided with this course. These will have a validity of 12 months. You will need to schedule your exams within this time frame.
