

Build and Analyze Customer Journeys using Marketing Cloud

Duration: 5 Days **Course Code: MKT-101** **Delivery Method: Virtual Learning**

Overview:

Start your journey to becoming a Marketing Cloud Specialist. In this 5-day, expert-led class, you will learn how to build customer journeys within Marketing Cloud. Our team of Marketing Cloud pros will walk you through best practices related to executing, monitoring, and analyzing your journeys, arming you with the tools and know-how to design personalized journeys and engage with your customers in a whole new way.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

Target Audience:

This class is designed for email digital marketers who manage the email channel for their organization. Whether you are new to Marketing Cloud or looking for tips on how to improve your existing customer journeys, this class is a great place to start. No prior knowledge of Marketing Cloud is needed.
