PRINCE2® Programme Management Foundation - Including Exam

Duration: 3 Days   Course Code: MSPF   Delivery Method: Company Event

Overview:

This course provides participants with a thorough understanding of the PRINCE2® Programme Management Foundation methodology, providing the skills needed to confidently use PRINCE2® Programme Management to manage programmes in line with strategic aims of a business and its day to day running.

Delivered by fully accredited trainers and industry leading experts with extensive experience of using PRINCE2® Programme Management , the course includes a relevant, modern case study to help delegates to understand how to apply the PRINCE2® Programme Management way of managing programmes in the real world. There is also plenty of opportunity for delegates to present their exercise results and discuss them with the rest of the class, thus gaining further knowledge from many different points of view in many different industries.

Company Events

These events can be delivered exclusively for your company at our locations or yours, specifically for your delegates and your needs. The Company Events can be tailored or standard course deliveries.

Target Audience:

This course is aimed at Programme Managers, Business Change Managers, Account Managers, Project Managers, Project Directors, Business Strategists and Consultants.

Objectives:

- **After you complete this course you will be able to:**

- Understand the principles and structure of PRINCE2® Programme Management

- Understand the benefits of a structured method in a changing environment

- Explain thePRINCE2® Programme Management process model

- Understand the PRINCE2® Programme Management themes

- Create a Programme brief

- Create a Programme organisation structure

- Engage with stakeholders at all levels

- Understand the vision and the blueprint and how they can be applied to the best advantage

- Apply progress control mechanisms

- Appreciate the principles of programme level quality and Risk Management

- Realise the importance of configuration management

- Run PRINCE2® Programme Management for differing environments

- Apply the theory of PRINCE2® Programme Management to different programme scenarios

Prerequisites:

Attendees should meet the following prerequisites:

- Delegates should ideally have experience of managing or working in programmes prior to attending. Knowledge of the PRINCE2® Programme Management method is advantageous but by no means mandatory, but some exposure to a project management method will aid understanding of how the programme works with these projects.

Testing and Certification

Recommended preparation for exam(s):

- PRINCE2® Programme Management Foundation Exam

60 multiple choice questions, 60 minutes, closed book. Minimum required score to pass: 60%.

Web proctored exam voucher is included in course fee - this has a

validity of 12 months. You will need to schedule your exam within this time frame.
