

## Nutanix Database Management and Automations

**Duration: 2 Days**    **Course Code: NDMA**

### Overview:

This course teaches you the skills needed to install, configure, and operate Nutanix Era for the purpose of managing databases. The installation and management of databases themselves is not part of this course.

### Target Audience:

- IT administrators who manage Nutanix clusters in the datacenter and want a detailed deep dive into database administration using Nutanix Era
- Anyone pursuing the Nutanix Certified Professional - Database Automation (NCP-DB) certification

### Objectives:

- In this course, you will explore a number of subjects including:
  - The what, the how, the why, and the benefits of database-as-a-service (DBaaS)
  - Important Nutanix Era terms and concepts, like copy data management, time machine, provisioning profiles and data access management
  - Implementing role-based access control (RBAC), including working with built-in and custom roles, and managing users and groups
- Adding multiple clusters to Nutanix Era, working with Nutanix Guest Tools, and registering a Nutanix cluster with Era
- Monitoring and investigating issues with Nutanix Era, including alert policies, notifications, and log collection
- Operations involved in protecting and restoring databases, including creating snapshots, cloning databases, log catch-up operations, refreshing clones, and restoring source databases

### Prerequisites:

ECA

This advanced course requires you to possess a basic Nutanix system administration skill set which includes:

- familiarity with traditional virtualization storage architectures
- hands-on experience with the Prism and Command-line interfaces.

These skills can be acquired by attending one of our basic admin courses (Enterprise Cloud Administration), or through on-the-job experience by working on a Nutanix system for at least 6 months

- GK9915 - Nutanix Enterprise Cloud Platform Administration

### Testing and Certification

Nutanix Certified Professional - Database Automation (NCP-DB) The Nutanix Certified Professional - Database Automation tests candidates on their skills and abilities to deploy, administer, optimize, and troubleshoot database workloads using Nutanix Era.

Please note: The course material is intended to cover 70-80% of the knowledge on the exam, with the rest of your exam prep coming from independent study and/or experience

## Content:

1: Introduction to Database Automation	- Implementing Role-based Access Control and Managing Users	- Understanding the Era Dashboard
■ Understanding Database-as-a-Service		
■ Understanding Nutanix Era Terminology and Concepts	- Adding Nutanix Clusters to Era	- Using Tags for Database Inventory Management
■ The Nutanix Solution for Database-as-a-Service		■ Working with Alerts
	- Upgrading Nutanix Era	■ Investigating Issues with Nutanix Era
2: Configuring and Operating Nutanix Era	■ Monitoring Nutanix Era	
■ Understanding the Era Workflow		4: Protecting and Restoring Databases (Time Machine Operations)
■ Installing and Configuring Nutanix Era		■ Era Time Machine
■ Nutanix Era High Availability		■ Managing SLAs Schedules
■ Registering an Existing Database		■ Prerequisites for Snapshot Creation, Replication, and Deletion
■ Creating Profiles		■ Cloning Databases
■ Provisioning a New Database		■ Database Log Management
■ Patching a Database		■ Refreshing Clones
		■ Restoring Source Databases
3: Administering, Monitoring, and Troubleshooting Nutanix Era		
■ Administering Nutanix Era		

## Additional Information:

### SOFTWARE VERSIONS

- AOS 5.15
- Era 2.1

### TERMS AND CONDITIONS

- Customer must purchase training seats in advance of scheduling course dates.
- Customer may not cancel purchased training seats and all amounts paid are non-refundable.
- Customer may reschedule courses with no less than 15 business days written notice to Nutanix. Rescheduling fees may apply.
- Customer may substitute a student with no less than 5 business days written notice to Nutanix. Rescheduling fees do not apply to substitutions.
- Training seats must be consumed within 6 months of purchase. Failure to utilize the training seats within the 6 months of purchase shall result in forfeiture of all fees paid for such seats. Extensions may be available on a case by case basis.
- Most of our Authorized Training Partners (ATPs) have a 10-business-day cancellation and/or reschedule policy. If customer cancels or reschedules within those 10 business days, fees may apply up to the full price of the seat.
- Nutanix reserves the right to cancel any scheduled course due to minimum enrollment not being achieved, instructor illness, or other events outside of its control.
- Cancellation notices will be sent to enrolled students by email with rescheduling information and alternative training options
