

## Advanced Certified ScrumMaster™

**Duration: 2 Days    Course Code: A-CSM    Delivery Method: Virtual Learning**

---

### Overview:

The Advanced Certified ScrumMaster™ (ACSM) program is designed to build on your foundational knowledge with enhanced skills for the implementation of Scrum and Agile techniques within your company and teams.

### Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

---

### Target Audience:

This course is aimed at any existing Certified ScrumMaster® who wishes to further and enhance their skills. It will help anyone who is on the lifelong journey of incorporating Scrum values and Agile principles into their world of work.

---

### Objectives:

- By the end of this course you will be able to:
  - Facilitate dialogue between the Product Owner, team members, customers, stakeholders, and executives.
  - Respond confidently when encountering resistance to change, lack of engagement, low motivation, and unavailability of key people.
  - Help your company adopt Scrum and support executives committed to Agile values.
  - Remove impediments that prevent long-term, deep adoption of Scrum and Agile practices by all parts of the business.
  - Explain the value of Scrum and Agile processes to sceptics.
  - Increase developer engagement to encourage greater accountability, commitment, and buy-in.
  - Extend the impact of Scrum throughout the organisation.
  - Scale Scrum and Agile beyond a single team.
  - Leverage your learning to gain recognition and status as the local Agile expert in your company.
- 

### Prerequisites:

You **MUST** have an active CSM® certification with Scrum Alliance®.

Please provide evidence of your active certification to attend this course.

### Testing and Certification

To earn an Advanced CSM (A-CSM), you first must have an active CSM® certification with Scrum Alliance®. With your CSM, you must successfully achieve and be validated by our Scrum Alliance Path to CSP Educator, all the A-CSM™ learning objectives defined. You must successfully complete all Educator-designed components of an approved educational offering, in addition to demonstrating at least one-year work experience specific to the role of ScrumMaster.
