

## ICAgile Team Facilitation

Duration: 2 Days    Course Code: ICP-ATF

### Overview:

The ICP-ATF is one of two knowledge-based certifications on the Agile Coaching Track. It focuses primarily on the mindset and role of an Agile team facilitator, while also providing group facilitation tools and techniques for effectively designing meetings and workshops that both engage the entire audience and drive towards agreed-upon outcomes. Through obtaining this certification, the learner will develop an appreciation for the art of facilitation as key to fostering collaboration and enabling organising teams. In addition, participants will build their facilitator toolkits and gain experience facilitating specific agile practices most relevant to their organisational context.

### Target Audience:

Agile team leaders or aspiring team leaders with a passion for servant leadership and a desire to learn and practice the art of facilitation in the context of team facilitation and coaching. Relevant roles include ScrumMasters, Agile Project Managers, Agile Coaches and aspiring coaches, Product Owners, Business Analysts, and anyone with the desire to explore the power of facilitation.
