

## Additional Financial Accounting Configuration in SAP S/4HANA

Duration: 5 Days    Course Code: S4F13    Delivery Method: Virtual Learning

### Overview:

This course provides you with the knowledge to configure and utilize automation functions for accounts payable and accounts receivables in the SAP S/4HANA system. You will familiarize yourself with the automatic payment program, the automatic dunning program, and correspondence handling. You will also be enabled to utilize additional posting options in accounts payable and accounts receivable. Finally you will learn how to safeguard postings through validations and substitutions.

#### Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.
