

SAP Business Processes in HCM Payroll for S/4HANA

Duration: 2 Days **Course Code: S4HR11** **Delivery Method: Virtual Learning**

Overview:

This course provides an overview and foundation knowledge for processing payroll transactions in SAP HCM and HCM on S/4HANA. You will learn how to troubleshoot issues when running payroll and complete financial postings. This course applies to the functionality of HCM for S/4HANA. Nevertheless, if you are still on ECC 6.0 EHP8 you are also welcome here. Differences will be explained in this course.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.
