

ServiceNow Administration Fundamentals

Duration: 365 Days **Course Code: SNSAF** **Delivery Method: Elearning (Self-paced)**

Overview:

ServiceNow Administration Fundamentals is a three-day course taught both as Instructor-Led Training (ILT) and Virtual Instructor-Led Training (VILT) in timezones throughout the world. The course offers robust lessons, group discussions, and reviews of real world system administration scenarios. You will also receive your very own sandbox instance for the duration of class to practice lessons learned through a variety of hands-on lab exercises to establish and build upon common concepts and skills.

e-Learning

Interactive self-paced content that provides flexibility in terms of pace, place and time to suit individuals and organisations. These resources also consist of online books, educational podcasts and vodcasts, and video-based learning.
