TOGAF® EA Training - Practitioner incl Exam

Duration: 2 Days   Course Code: T-TEAP   Version: 10th Edition   Delivery Method: Virtual Learning

Overview:

This TOGAF® EA Training Practitioner Course is based on the latest version of TOGAF and will help you to prepare to take The Open Group's examination leading to the TOGAF® Enterprise Architecture Practitioner qualification. The TOGAF® Enterprise Architecture Practitioner certification provides validation that an individual has the knowledge, comprehension, and ability to analyze and apply the TOGAF® Standard to developing, sustaining, and using an Enterprise Architecture.
The learning objectives at this level focus on application and analysis in addition to knowledge and comprehension.
Candidates should be aware that this course introduces all topics examinable but does not address these in detail and additional study is required.
This TOGAF® EA Training Practitioner course is accredited by The Open Group.
TOGAF® is a registered trademark of The Open Group.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.
