

TOGAF® for Practitioners - Level 1 Foundation

Varighet: 2 Days Kurskode: TF-TP1 Version: 9.2 Opplæringsmetoder: Virtuell opplæring

Beskrivelse:

The TOGAF® V9.2 Level 1 Certification training course introduces the latest version of TOGAF® and will help you to prepare to take The Open Group's examination leading to the TOGAF® 9 Foundation qualification. This course introduces all of the topics defined as the Learning Outcomes upon which the TOGAF® 9 Part 1 Examination is based to the level needed to pass the examination. This TOGAF® for Practitioners Level 1 course is being run by Global Knowledge and is accredited by The Open Group.

Virtuell opplæring

V&C Select™ er et veldig enkelt konsept og svært fleksibelt. Du kan delta personlig i klassen eller som virtuell deltaker. Når deres team er geografisk splittet eller du har et begrenset reisebudsjett kan du benytte deg av vår virtuelle klasserom. Kursinnholdet er akkurat det samme som i et vanlig klasserom og deltakerne får en instruktør "live" via internett. Deltaker kan chatte og snakke med sin instruktør og sine medstudenter. Global Knowledge vil sende deg all informasjon du trenger før kurset slik at du kan teste innlogging.

Målgruppe:

The target audience for this course includes aspiring Enterprise Architects, their operational partners (Business Architects, Solution Architects, Project Managers and Sales Teams), and Executive Stakeholders

Forkunnskaper:

- There are no formal prerequisites for this course and certification. It is however advised that delegates have several years of IT experience in a variety of roles and also have an understanding of Enterprise or IT Architecture.
