

Managing Successful Programmes Foundation & Practitioner - Including Exams

Duration: 5 Days **Course Code: MSP** **Delivery Method: Virtual Learning**

Overview:

MSP[®] is a best-practice guide from the Home Office, describing a structured approach for managing programmes. It has been developed using the collective expertise and practical experience of some of the leading practitioners in the field. This means that it not only reflects best practice, but is also an accessible, workable technique that has been tested by those working in the real world.

Virtual Learning

This interactive training can be taken from any location, your office or home and is delivered by a trainer. This training does not have any delegates in the class with the instructor, since all delegates are virtually connected. Virtual delegates do not travel to this course, Global Knowledge will send you all the information needed before the start of the course and you can test the logins.

Target Audience:

This course is aimed at Programme Managers, Business Change Managers, Account Managers, Project Directors, Business Strategists, Consultants.

Objectives:

- **After you complete this course you will be able to:**
- Plan for and gain crucial "buy-in" from the key stakeholders in your programme.
- Align projects to your strategy.
- Keep the focus on your change objectives.
- Provide your senior management colleagues with a flexible and relevant framework, so they can work with you to direct the change process.
- Achieve more efficient use of your resources.
- Better control the risks that may be hidden in the detail of activities and projects.
- Realise benefits during and after your programme through a formal process.
- Improve your control of costs, standards and quality.
- Effectively manage your programme's business case.
- Gain efficient control of a whole range of complex activities.
- Use clear role definitions to avoid confusion and conflict.
- Manage better the smooth transition from current to future operations.
