

PRINCE2® Foundation and Practitioner - Including Exams

Duration: 5 Days Course Code: P4P

Overview:

The aim of this training event is to provide delegates with an in-depth knowledge and practical understanding of the PRINCE2® project management method. This training will help prepare delegates for the PRINCE2® Foundation and Practitioner examinations (web proctored voucher included in course fee). The course follows the latest 6th Edition syllabus issued by AXELOS who manage PRINCE2®. This focuses on the PRINCE2® framework and how this is applied intelligently to real projects.

PRINCE2® has established itself as global standard for managing projects and is generic, tailorable and uniquely business-driven. Organisations that have adopted the PRINCE2® claim that they have been able to deliver projects and their products more successful with enhanced control and greater customer satisfaction. This focuses on the PRINCE2® framework and how this is applied intelligently to real projects.

Target Audience:

This course is aimed at Project managers, Project leaders, Project coordinators, Programme and Operations Managers and technical personnel who need to understand how PRINCE2® works.

Objectives:

- After completing this course you should be able to:
 - Understand the need for project management and a project management method.
 - Understand the Principles, Themes and Processes used in PRINCE2® and how they are integrated.
- Understand how to practically apply PRINCE2® to projects.
- Prepare for the PRINCE2® Foundation and Practitioner examinations.

Prerequisites:

There is no formal requirement for attending this course, although it would be beneficial to the delegates to have some understanding of project management.

Delegates will be provided with access to study the pre-course video files before the class starts, please reference the document that is sent with your course confirmation for details on how to access.

This PRINCE2® Foundation Pre-Course Video resource is for use in preparation for the PRINCE2® Foundation Course and those returning for PRINCE2® Practitioner. Each short video covers a key area within the PRINCE2® method plus information on the PRINCE2® exams. They are primarily designed to introduce or revise PRINCE2® terminology, concepts and activities to help you get ahead on your PRINCE2® course.
